Dr Afraz Adam

Dr. Afraz Adam is at the forefront of medicinal cannabis in New Zealand. With a background in urgent care and extensive experience treating patients across Australasia, Dr. Adam brings a wealth of expertise to the table.

As Chief Medical Officer of Cannaplus, Dr. Adam has been instrumental in shaping the landscape of medicinal cannabis in New Zealand. He has overcome obstacles and educated practitioners nationwide on its potential benefits.

A seasoned speaker, Dr. Adam has represented New Zealand at prestigious international conferences and presented at the Future of Medicine conference in 2023. His talk, "High Hopes – Exploring the Landscape of Medicinal Cannabis in NZ," promises valuable insights into the role of medicinal cannabis in patient care.

With a commitment to holistic healing, Dr. Adam advocates for the integration of medicinal cannabis into mainstream healthcare practices. Don't miss the chance to hear from this pioneering expert in the field.
