

NZ WOMEN IN MEDICINE CONFERENCE 2024

Ko te tumanako me haere tahi tatou
Hope moves us forward together

Anner Chong

Senior Principal, Registered Architect

BArch, MA(Housing), RIBA, FNZIA

A Registered Architect with work experience in both Hong Kong and New Zealand, Anner believes in creating healing and supportive environments through collaborative design. Passionate about creating health and wellbeing environments, Anner's empathetic approach to healthcare design sees her deliver projects that blend style with compassion.

Appreciating the partnership and methodology inherent in Kaupapa Māori design, Anner strongly believes that narrative and concept will always be the anchor for design development and the final build.

Anner ardently champions people-centred design as the linchpin for achieving successful outcomes. She embraces ongoing learning from collaborative endeavours, striving to continually help build communities.
